

Landlord Authorization Form

Property Owner/Manager Consent

The tenant ("Tenant") named on this form has requested that Franklin Energy Services, LLC ("Implementer"), acting on behalf of New Mexico Gas Company (NMGC), obtain authorization for the Property the Tenant occupies ("Property") to apply for Space and Water Heating rebates. By signing this document, the Property Owner/Manager acknowledges and consents to the installation of qualifying water heating, space heating or building envelope measures (insulation, air sealing or duct sealing) in the Tenant's unit. All installation work associated with the rebate must be completed by an authorized contractor independently selected by the Tenant, Owner or Property Manager from the NMGC Participating Contractor list at nmgcgetrebates.com, for eligible residential and small business water and space heating and residential building envelope measures.

All information is required.
