

Contractor Connect

Residential Rebate Program

Spring 2022

NMGC Program Contractors,

Welcome to the first issue of Contractor Connect! We have rebranded our quarterly newsletter, but will continue to keep you up to date on program changes, requirements and benefits. We know you are busy, so we hope this newsletter provides quick reminders on offers and/or deadlines that may be coming your way.

We want to take this opportunity to thank everyone for all their efforts throughout the 2021 program year. Your participation not only reduces the cost of upgrades for your customers, but helps them save on their energy bill for years to come. Thank you for the dedication that each one of you has shown to the program, our customers and energy efficiency.

As always, we are here to help so please reach out to your Account Manager with any questions.

Thank you for your continued partnership,

The New Mexico Gas Company
Residential Rebate Program Team

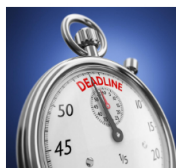

In this issue:

- 2021 Program Year Wrap-up
- 2022 Program Kick-off
- New Marketing Materials
- Spring Rebates
- Online Submission Tool Instructions

2021 Program Year Wrap-up

The 2021 program year ends March 31, 2022. You will have until **Friday, April 8, 2022** to submit rebates for the 2021 program year. Please make sure you submit any customer rebates by this date. Thank you for your attention to this matter. Please let us know if you have any questions.

2022 Program Kick-off

We will be hosting our 2022 Program Kick-off event in-person and virtually. At this event we will recognize our 2021 Program Award Winners and kick-off the 2022 Program. Don't miss out on program enhancements for next year, including a streamlined rebate submission process. Details on time, date and location coming soon.

New Marketing Materials

This one-page PDF can be easily attached to your email quotes. Simply download and save to your computer or you can request printed flyers from your account manager.

Spring Rebates

Spring is upon us, temperatures are rising and now is a great time to help your customers prepare for summer. New Mexico Gas Company continues to offer rebates for adding attic or roof insulation, installing a smart thermostat and upgrading your water heater.

Insulation Rebates 25% of the cost up to **\$600**

Smart Thermostat Rebates **\$90** for installing an ENERGY STAR® Smart Thermostat

Water Heater Rebates up to **\$300** for installing a high efficiency water heater. Plus, you could save as much as \$100 per year on gas bills compared to a standard model.

Online Rebate Tool

Help your customers get their rebates quicker. You can now submit rebate applications on behalf of your customer, using the new step-by-step Online Rebate tool.

This easy online tool lets you select the rebate of your choice, and walks you through entering your application information.

Be sure to bookmark the link at <https://nmgrebates.icfwebservices.com>

If you have questions on how to submit a residential rebate or how to check residential rebate status, please [click on the image below to review the NMGC Residential Rebate Online Submission Tool Instructions](#).

NMGC Residential Rebate Online Submission Tool Instructions
