

Save energy and money

with New Mexico Gas Company's energy efficiency programs

Home Energy Analyzer

Find your home's energy leaks...for **free**.

The Home Energy Analyzer is a **free**, confidential online survey helping you better understand your home's energy use. In just five minutes you'll get a customized energy savings estimate as well as savings recommendations for your home. No sign-up or personal information is required.

Visit nmgc.energysavvy.com to get started.

FREE High Efficiency Showerhead + Water Savings Kit

Get a **high efficiency showerhead and water savings kit*** by mail at **no cost**.

Save up to \$150 on natural gas and up to 75,000 gallons of water over the lifetime of the products.

Request your kit at nmgcfreeshowerhead.com.

**One pack per home every 10 years.*

ENERGY STAR Water Heater Program

Upgrade to a high efficiency water heater and get **rebates up to \$300**.

Water heaters are one of the top two highest energy users in a home. An efficient water heater can save you hundreds of dollars over its lifespan.

Rebates from \$100 to \$300 are available when you have a qualified participating contractor install a high efficiency ENERGY STAR certified storage or tankless water heater.

ENERGY STAR® Smart Thermostat

Get a **\$50 rebate** on qualified smart thermostats.

Control and monitor your heating and cooling from **anywhere**, increasing comfort and savings.

ENERGY STAR Space Heating Program

Get **rebates up to \$375** for upgrading your gas furnace or boiler.

Stay warm while saving money, and benefit from safer, longer-lasting equipment.

Get rebates from \$200 to \$375 when you have a qualified participating contractor install a high efficiency gas furnace or boiler.

Residential Insulation

Upgrade your attic or roof insulation and get **rebates up to \$500**.

Improve year-round comfort while saving up to 20% on your heating and cooling bills.

Rebates are available for 25% of the cost, up to \$500, when you have a qualified participating contractor add insulation to your home's attic or roof.
