Winter-Ready Rebates

It's fall, temperatures are dropping, we're spending more time at home with family and friends, and soon we will be turning on our furnaces and boilers. **New Mexico Gas Company continues to offer rebates for adding insulation, smart thermostats and high efficient Furnaces and Boilers**

- Insulation Rebates** 25% of the cost up to **\$500**
- Space Heating Rebates** **\$275 to \$375** based on the AFUE
- Combination Boiler Rebates** **\$525 to \$575** based on the AFUE
- Smart Thermostat Rebates** **\$50** for installing an ENERGY STAR® Smart Thermostat

New! Online Rebate Tool

Help your customers get their rebates quicker. You can now submit rebate applications on behalf of your customer, using the new step-by-step Online Rebate tool.

This easy online tool lets you select the rebate of your choice, and walks you through entering your application information.

Be sure to bookmark the link at <https://nmgrrebates.icfweservices.com>

Prefer your current method? Not a problem. You can still submit applications one of the three ways below.

We now offer three ways to submit your rebate application
