# Benefits of choosing an ENERGY STAR certified water heater

- **Energy and money savings.** Cut your water heating expenses up to 30% and save as much as \$100 per year on gas bills compared to a standard model.
- **Continuous hot water.** Tankless water heaters provide a continuous flow of hot water, so even the last one out of bed gets a hot shower!
- **Space-saving design.** Small and wall-mounted, tankless water heaters can save a closet's worth of space in your home.
- **Instant rebates available.** Get up to a **\$300 rebate** on your purchase when you use a participating contractor.

► **Talk to your contractor to learn more.**

\*Equipment must be purchased on or after April 1, 2023, and installed by March 31, 2024. Rebate applications must be received by April 30, 2024.
