V. Rebate Terms and Conditions

1. Insulation must be installed by a participating contractor in a residence that receives New Mexico Gas Company residential gas service, as evidenced by the New Mexico Gas Company customer account number.
2. Customer's home **MUST** have a natural gas fueled heat source as its primary source of heating (primary heat sources using propane, solar or electric are ineligible for rebate payment).
3. To qualify for duct sealing incentives, participating contractor must perform pre and post duct leakage and work performed must reduce overall duct leakage by 10%.
4. The duct sealing must be purchased on or after April 1, 2025 and must be installed by March 31, 2026. All 2025 Program rebate applications must be received by April 30, 2026.
5. Submit: (1) a completed rebate application form along with (2) a copy of the original invoice/receipt and (3) Copy of the duct leakage report detailing the pre and post duct leakage and percentage of improvement. If rebate is transferred to contractor, both customer and contractor must sign invoice.
6. Rebates will be processed and paid on a First In, First Out (FIFO) basis. Rebate will be processed in approximately 4 to 6 weeks. Terms and conditions subject to change without notice.
