#### V. Rebate Terms and Conditions

1. A natural gas combination boiler/water heater must be installed by a participating contractor in a residence that receives New Mexico Gas Company residential gas service, as evidenced by the New Mexico Gas Company customer account number.
2. Combination boiler/water heater must have an AFUE equal to or greater than 92% and an EF of .90 as documented by manufacturer's model number and AHRI reference number.
3. Combination boiler/water heater must be purchased on or after April 1, 2015 and installed by March 31, 2016. All 2015 Program rebate applications must be received by April 30, 2016.
4. Submit: (1) a completed rebate application form along with (2) contractor installation invoice/receipt and (3) AHRI Certificate. Invoice/receipt must include date of purchase/install, installation address, and name of manufacturer, model and serial number of the unit installed.
5. Rebate will be processed in approximately 4 to 6 weeks. Terms and conditions subject to change without notice.

#### IV. Customer Signature

I hereby certify that all information on this form is accurate, including customer and purchase information, and that eligible equipment has been installed at the location listed on this form. I have read all terms and conditions on this form and acknowledge that New Mexico Gas Company may verify all information provided on this form.
