IV. Rebate Terms and Conditions

1. A natural gas furnace/boiler must be installed by a participating contractor in a residence that receives New Mexico Gas Company residential gas service, as evidenced by the New Mexico Gas Company customer account number.
2. Furnace/boiler must have an AFUE equal to or greater than 92%, as documented by manufacturer's model number and AHRI number.
3. Furnace/Builder must be purchased on or after April 1, 2015 and installed by March 31, 2016. 2015 program rebate applications must be received by April 30, 2016.
4. Submit: (1) a completed rebate application form along with (2) contractor installation invoice/receipt and (3) AHRI certificate. Invoice/receipt must include date of purchase/install, installation address, name of manufacturer, model and serial number of the unit installed.
5. Rebate will be processed in approximately 4 to 6 weeks. Terms and conditions subject to change without notice.

V. Customer Signature

I hereby certify that all information on this form is accurate, including customer and purchase information, and that eligible equipment has been installed at the location listed on this form. I have read all terms and conditions on this form and acknowledge that New Mexico Gas Company may verify all information provided on this form.
