V. Rebate Terms and Conditions

Rebate Requirements:

1. Natural Gas Tankless or Condensing Tank water heater must be installed by a participating contractor in a residence that receives New Mexico Gas Company residential gas service, as evidenced by the New Mexico Gas Company customer account number.
2. The ENERGY STAR tankless or Condensing Tank water heater must have an EF equal to or greater than 0.90, as documented by the manufacturer's model number.
3. The ENERGY STAR tankless or Condensing Tank water heater must be purchased on or after April 1, 2015 and must be installed by March 31, 2016. All 2015 Program rebate applications must be received by April 30, 2016.
4. Submit: (1) a completed rebate application along with (2) a copy of the invoice/receipt with make, model, and serial of unit installed and (3) AHRI Certificate. Rebates will be processed and paid on a First In, First Out (FIFO) basis. Rebate processing takes approximately 4 to 6 weeks. Terms and conditions subject to change without notice.
