# Benefits of choosing an ENERGY STAR certified water heater

- **Energy and money savings.** Cut your water heating expenses up to 30% and save as much as \$100 per year on gas bills compared to a standard model.
- **Continuous hot water.** Tankless water heaters provide a continuous flow of hot water, so even the last one out of bed gets a hot shower!
- **Space-saving design.** Small and wall-mounted, tankless water heaters can save a closet's worth of space in your home.
- **Rebates available.** Get up to a \$300 rebate on your purchase when you use a licensed and insured participating contractor.
