III. Submit Rebate Application

Homeowner Installed Thermostat

1. Complete the smart thermostat rebate application.
2. Take a picture of the newly installed smart thermostat.
3. Submit the rebate application along with a copy of the invoice and picture by email, fax or mail.

Contractor Installed Thermostat

1. Complete the smart thermostat rebate application.
2. Submit the rebate application along with a copy of the invoice by email, fax or mail.
3. Contractor-supplied invoice must include the manufacturer and model number of the installed thermostat.

IV. Rebate Terms and Conditions

1. Current NMGC residential customers are eligible to receive rebates for the purchase and installation of two of the smart thermostats listed above.
2. Smart thermostats must be purchased on or after April 1, 2022 and installed by March 31, 2023. All 2021 Program rebate applications must be received by April 30, 2023.
3. Qualifying smart thermostats installed between April 1, 2022, and March 31, 2023, are available for rebates with our 2022 Program. You must submit: (i) a completed smart thermostat rebate application form, marked with a check in the box next to the rebate(s) for which you are applying, and (ii) if a resident at the installation address (i.e., non-contractor installed), a photo of the installed device. Invoice/receipt must include manufacturer name and model number.

V. Customer Signature

I hereby certify that all information on this form is accurate, including customer and purchase information, and that eligible equipment has been installed at the location listed on this form. I have read all terms and conditions on this form and acknowledge that New Mexico Gas Company may verify all information provided on this form.

Customer Name (please print):

Customer Signature:

Date:

VI. Contractor Signature
